

Tales from the Twilight

You find a huge collection of stories from the Middle East and start flipping through the pages. As you do, however, you can't help but notice that the descriptions of the stories seem a little off....

استشر بيرتون. إجابتك ستكون كلمتين.

- #412. This tantalizing story depicts a fanaticist obsessed with the founder of the Chinese communist party.
- #148. This heavy story depicts the daily life of work visas, learner driver's licenses, and authorization documents.
- #5. This exciting story depicts the journey of the king's son, who finds a way to escape from the palace.
- #29. This amusing story depicts a day in the life of a recently appointed physician, maybe a year or so out of med school.
- #919. This raunchy story depicts a cabal of bandits trying to steal a crop that they need to make their own tofu.
- #606. This awful story depicts someone desperately looking for a fruit and vegetable paste they had made in a blender, but that somebody had taken from them.
- #580. This bland story depicts a certain clothworker's cry for help.
- #150. This intriguing story depicts a black bird who receives a document by electronic scan.
- #410. This artificial story depicts a trio of professional box-carriers who suffer a terrible misfortune.
- #909. This nice story depicts a black widow simply enjoying a bottle of chardonnay.
- #143. This novel story depicts a character who absolutely despises mind-altering drugs like marijuana.
- #903. This interesting story depicts a Middle Eastern religious ascetic with a magical canister, which has the power to improve the quality of anything that is put in it.
- #404. This grand story depicts a teacher who helped one of his students (who cannot read) have better posture.
- #150 (again). This harrowing story depicts a little insect that learns to communicate via dits and dahs.
- #463. This terrifying story depicts Azrael and his friendship with the ruler of a Houston university.
- #394. This sweet story depicts an extremely spiritual toga wearer who constantly argues with his evil parents.
